BRIEF ABSTRACT OF LETTER.

NOTES AND ORDERS.

Reg (I) In Govt order no 191-4 dated 10th November 1908, it was directed that owing to the mismanagement by the Tahsildar Thimmappa, the temple and its endowments should be taken under Govt management. Thimmanna Bhatta alias Thimmappa

prays for a re-consideration of the foregoing order for the following reasons:-

1) That the temple in question is a private institution not intended for the benefit of the public.

2) That the management thereof has continued in his family for many years past

3) That the petitioner has spent much money for the improvements of the temple lands; and

4) That the Dy. Commrs. report to Govt. is ~~false~~ based on the petition of one Manjappa who is ill-disposed towards the petr.

He urges that he may be heard in person.

AV 26/8/09 Submitted for orders.

26/8/09 ~~Govt~~ The allegation that this a private temple endowed by the founder and that the lands were not granted by Govt to the Temple as known gives a different complexion to the case. Let petitioner be asked with Special reference to the allegation that lands are improperly held & report be called for and that he should furnish evidence in support of his allegation

As the temple was enjoying the land for upwards of a century and as it was recognized by the Jari account of 1832, it was confirmed on the existing jodi of Rs 28-5-4 subject to the conditions of the grant. There are two matters for consideration in this case.

(1) Whether there has been encroachment

(2) If so, whether Govt can assume the management.

I believe (1) has been clearly proved.

The Act appears to be a question of law.

~~Govt~~ The lands do not appear to have been originally granted by Govt or others as Devasthanam to this Temple. They belonged to the Sringeri Mutt and were separated from them some 150 or 200 years ago by Govt's ancestors who built this temple and endowed it with the lands. What the nature of the Enam was when the Sringeri Mutt enjoyed the lands is not clear. The land apparently continued to remain after separation of Govt's ancestors as was confirmed to Devarajaya at the Inam settlement. In ~~accordance~~ consonance with this Settlement should the lands be resumed.

Had the land been originally granted as Enam directly to the Temple there would be no doubt about the power of Govt to resume possession -

Matter to be considered of the circumstances of the case having it under the ruling in the Sri Kalpathi Case to this effect that if an Inam was originally Brahmadaya and was made over by the owner for the benefit of a temple the alienation ordy cannot be effective but the case through the alienation be dealt against by the dedication to the Temple.

In that case whether the Inam was settled as Devadaya. In this present case the Inam has been settled as Devadaya.

Petr :- Thandoor Nimmanna alias

Caste of Bilimagga, Hindu
Religion, Cultivation &
Residing at Bilimoga

the petition above named respectfully
sheweth that :-

The village of Belgavadi,
Hobli, Kasthakulli Taluk,
is a Jodi village. It formerly belonged to
the Sringeri Math. The petr's great-great-
grand father Nimmanna, Kathi Kirk
chased it from the said Math on the
13th of Bhadrapada Shuddha of
Rudhirodgari in the 1655th Cyclic
Shalivahana for 100 rupees. Ever
since the date of the said purchase
the said village has been in the possn
and enjoyment of the petr's family
and

the Petitioner's great-grandfather, Venkata Nattu Bhatta built a temple on the northern bank of the Nanjibhadra River in the said village consisting of a sanctum of stone building and a brick compound all round, established therein a stone idol of the deity named Viśvanâthswara Dêva and for the performance of the worship by and on behalf of the family and by way of family endowment appointed more than 30 yrs ago the village was dedicated the said family deity to meet the expenses of the worship etc thereof in the name of and for the benefit of the family and the management thereof was to be in the hands of a member of the family.

3. The said temple was not intended for the public. No alms except the petty family worship there. The said deity's cattle was not for the benefit of the public neither the public nor the Government have any right to or control over the management of the village and the temple thereof.

4. The petitioner's successors being the managers of the village and subsequently became the managers thereof, have made proper arrangement for the worship etc

pleaded

planted 4000 plantain trees and
cleared the lands at a total expense
of Rs 1600 of his own money. As the
2. Nayk was still capable of further
improvements and the Petr. was
short of funds the Petr leased out
only the garden portion therein to
Pandeshwara Seetharamiya. The
latter has planted 3000 areca
plants, 4 or 5 coco-nut plants,
cardamum plants, betel creepers
and several other kinds of plants
at an expense of about Rs 5000
and the plants are about to yield
profits. The Petr retained possn
of the wet-land portion of the
village and converted 2 acres
thereof into a garden by planting
1000 areca plants for transplanta
tion, plantain trees and several
other kinds of plants at an expense
of Rs 2000.

5 While such was the case, the Shekdar
came and attached the paddy, areca
nuts, and the Revenue of the village
the Petr who died. I know the
reasons for such attachment
submitted several petitions to the
Amildar in vain. At last on
9. 2. 09 the Petr a minor submitted
to the Amildar a petn which on

an endorsement
been passed by the
"Received from the Dy Comr of
Shimoga Dt order No 632 dated
26.11.08 given in pursuance of
the Govt Proceedings No 191-4

dated 10.11.08 to the effect that on
account of mismanagement
the pet has been deprived of
the management of the temple and
all the lands belonging thereto
and the Govt have assumed the
charge thereof. You are hereby
informed of this matter".

6. After enquiry the petr now comes
to know that one Ganavalli Ranjappa
the servant of the petr. to whom the above
said improvements caused much
heart-burning and who is a perfect
stranger to the petrs family and
has no concern with the management
of the affairs of the village and the
temple petitions to the Amildar
with a selfish motive stating falsely
that the village and the temple were
being mismanaged by the petr. and
praying that he might be given
the Mgmt. management. That the
Amildar submitted a report to the Dy
Commissioner who in his turn
submitted his report to the Govt
which seems to have passed the
order referred to in the endorsement
above mentioned

above mentions.

7. The reports made by the Amildar and the Deputy Commissioner and the orders passed thereon by the Govt are all rendered against the petr without any information to him and without giving him even a single opportunity to plead his cause.

8. The above said orders and reports are unfair and unjust and affected the facts and the right, title and interest of the petr in and in the said village and temple.

9. The petr is prepared to substantiate his allegations by reliable oral and documentary evidence especially by copies of the public Records

Prayer

For the above submitted reasons the petr respectfully prays that the Govt may be graciously pleased to set aside the impugned order based on these Reports, grant a fair and sufficient opportunity to the petr to prove his contentions, recognize his rights and order the refund of the money realized from the village by the Amildar

Sir,

Adverting to your docket No. 1550 Muz: 497-08-2 dated 8th April 1909 forwarding for enquiry and report petition presented by one Thimmamma-bhatta praying for the revision of Government order No. 191-4 Muz: 7113-08-1 dated 10th November 1909 directing his removal from the Valivatdar-ship of the temple of Sri Gangavis-veshwara Swamy in the Begavalli Agrahar, Tirthalli Taluk, I have the honour to report as follows:—

The petitioner states that the

temple in question was built
Hagve) his great grandfather Venkata-
pati Bhatta who consecrated
the deity of Sri Visweshwara
Swamy for pooja by himself
and his family members, that
the lands referred to were pur-
chased by his great grand father
Thimmanna bhatta for 160 pago-
das from the Sringeri Matt
and were endowed for the per-
formance of the pooja &c. in
the temple, that the manage-
ment of the temples and its
lands was in the petitioner's
family for the last 130 years
and that therefore neither the
public nor the Government
have any control over the said
temple and the lands.

3. The Amildar to whom
the petition was referred

a detailed enquiry, and after considering the oral and documentary evidence adduced by the petitioner has submitted a full report. (Flag U

4. It is clear from the report that the lands Survey Nos: 183 and 184 in question were not sold by the Inam to the petitioner's ancestor for the benefit of the family as alleged by him but were gifted to him for the pooja of deity on receipt of a 'Kanike' of 160 pagodas as will be seen from the copy of the Jari Inamdi account of 1862 filed by the petitioner in which the petitioner's father Venkatapattabhatta is said to have stated that his grand father Venkatapate bhatta built the said temple and that the (Flag V

profits from the lands were being used for the pooja &c in the temple - From the copy of Inam enquiry register prepared in 1872 it will be seen that in column 1 it is stated

Flag S)

ಪ್ರಾಂತ್ಯ ಶಾಸ್ತ್ರ ಅಂಗ ಪ್ರಾಚೀನ ಪ್ರಾಚೀನ ಪ್ರಾಚೀನ

mentioned in the accounts of Khara (1931-32), and that the lands may be registered in the name of the deity. From these it is clear that the Srnigeri Swamiji gifted the lands in question to Shivanna Bhatta for the purposes of pooja of the deity which was also given to him from the Mutt to be consecrated in the temple to be built by the said Shivanna Bhatta.

5 In 1906 when the lands in question were brought under attachment by a Civil Court in satisfaction of decree obtained against the petitioner by his creditors he has on 5th March 1906 before Mr. M. S. Narayan Rao, the then Deputy Commissioner, stated that the lands were

temple lands, that he had transferred the Inwolgeni right to one Nagappa and Narrappa not knowing that he should not so deal with the temple lands in that manner, and that the lands should be got released from attachment.

6 From this it will be seen that the petitioner has also admitted that the lands in question are not his family property

7. Finding that he is now debarred from enjoying the profits from the lands the petitioner seems to have come forward with the present petition

Under these circumstances I am of opinion that there are no grounds for revising the orders already passed in

Government in the matter—

The petition received with the above together with the Vernacular file of Papers on the subject are herewith submitted

The property of the alienation which took place so far back as in 1743 cannot now be questioned, and as the Pagoda in Col: 15 is enjoying the Inam for upwards of a century and has been recognized by the Jari account of 1832, I think quit-rent cannot fairly be levied on the plea that it is an unauthorized alienation.
